Holiday Cheer...

This time of year is the season for sharing!!!

Start sharing LOVE and HOPE to your FAMILY and FRIENDS.

Eventually, the Love you have shared will also be imparted to everyone in your society.

So let LOVE fill the air!

Our wishes from BBGC to you are endless- We wish that you have the best health, find love in all you do, have delightful days, blissful year, bright future, energetic hours and everything that comes with good tidings!

Merry
Christmas and
Happy New
Year to you
and your
family!"

WHO WE ARE

REBUILDING A HEALTHY PLANET THAT SUPPORTS WILDLIFE AND PEOPLE LIVING IN HARMONY

Built on a dream in 2003 to protect endangered species and the people who live alongside them, our passionate team works to connect people, animals, and the environment through holistic approaches in service and conservation. Over a decade later, we continue to enhance the health, education and self-sufficiency of people, while conserving the natural resources we all rely on.

ECOLIFE's mission is to redefine conservation to better the world for future generations. Our passion drives us to confront the global conservation and human health crises, and we believe there are **solutions**.

"Our homes are free of smoke and our children have stopped crying and coughing. Patsari stoves save us money on firewood and allow us to have more time for our families."

- Maria Flores, Stove Recipient

HOW WE WORK

WILDLIFE

Protecting species threatened with extinction.

PEOPLE

Saving lives by preventing lung disease with fuel efficient stoves.

FOOD

Promoting sustainable agriculture methods with aquaponics.

FORESTS

Conserving the world's most fragile forests.

Aquaponics provides a lot of solutions to the problems with modern agriculture, and it's something you can do anywhere! I want to share that with other people, because sustainability relies on education to spread."

- Brianna Pinto, U.S. ...

What is New for BBGC

✓ BBGC Historian-thank you to Nadine Ahrens for your time and volunteering. Anyone with any kind of club history please contact and forward to Nadine Ahrens.

✓ CIVIC Interest-December Christmas Appreciation has been completed by Mary Hale! Police, Fire and City Hall are all so appreciative of our efforts from BBGC!

What is in the works with BBGC

*Community Beautification Before & After

*BBGC is consistently working to advertise to our local community. Help us and invite others to our events, meetings and social gatherings. Growing our club and supporting our community is always our goal.

May your fire be warm and your home be bright and filled with JOY and LOVE.

Green Leaf Tree Care
Tree San Diego
Kurt S. Peacock

Kurt will focus on what's happening to our trees as a result of climate change, invasive species of insects and diseases now affecting our landscapes.

November 2018 General Meeting Minutes

Bridge and Bay Garden Club

GENERAL MEETING: Winn Room at the Coronado Library

November 26, 2018

Meeting was called to order by President Sandy Shortt at 9:35 a.m.

After the Pledge, Sandy introduced one new visitor. She also thanked the hostesses for today: Lee Marsolais, Pat Pilcher, Karen Foster, and Barbara Murphy.

Inspiration: Bobbie Perkins gave a short reading.

Minutes: No additions or corrections.

Treasurer: Tami Bickel reported a balance of \$12,190.84. She will be available at her desk to take payment for the Christmas Luncheon, December 10. She reminded that the charge is \$35.00. If you have not contacted her about coming, and just show up, there will a \$5.00 extra charge. To avoid this charge, just leave a phone message, so she can have a head count.

Luncheon: Mexican Village, on Orange, (near Hardware Store), 11:30 a.m., bring white elephant for gift exchange or raffle, discount that day at Hardware Store, parking – easy to find in the neighborhood.

Reports: Sandy said we need some members to learn the microphone set-up. Beth Skelley will help with that.

Corresponding Secretary: Peg Luedtke thanked us for the plant. She welcomes visitors at Room 127 at the Coronado Retirement Village, (across from the hospital).

Civic Interest: Marilyn Williams, our Spot of Beauty, leader, has done an excellent job for many years. She would welcome suggestions from all of us. Thank you, Marilyn.

Our floral "thank you" arrangements will be going to the Police Dept., Fire Dept., and City Hall next month.

Susan Suchy has collected some very old club documents to give to our new Historian, Nadine Ahrens. Thank you Nadine for taking on this job.

Tami Bickel reported that the beautification of the Post Office entrance is underway. Old growth has been taken out, and the plain beige wall has been painted black (up to three feet), to show off our new plants. It looks very nice and a planting work party will take place later this week – Thursday and Friday, 3:00 p.m. No need to let her know if you are coming..... just show up to work. (please do not phone her). She thanked the ladies who came, and cleaned and dug, and painted.

Program: Barbara Murphy introduced BILL TOONE, who gave a terrific talk on his lifetime dedication to the environment and wildlife conservation, and water conservation, as well as Aquaponics. His company is "Ecolife Presents". He is totally immersed in many conservation events and gave so many bits of new information on how we can help. His dedication is to teach the very young school children, who are our future, how to help preserve the earth environment. A truly enjoyable talk.

SPECIAL THANK YOU

BBGC would like to extend a special Thank You to all who attended the November General Meeting- what a wonderful time and huge success!

BBGC would like to extend a special Thank You to Gail Stewart for handling all raffle items and donations. The Club raised \$35.00 with her efforts!

BBGC would like to thank all hostesses for their lovely refreshments and table decorations at the November general meeting.
